Dear Walter:

I will be around the first week in February and would be glad to talk to your daughter Lisa. She should call (510) 845-4950, which is my home office, or 642-4291, which is my university office.

I am teaching my undergraduate sociology of religion course for the last time this spring and a Durkheim seminar. I won't retire until July 1997, but will have a lighter load next academic year.

Thanks again for being brave enough to run in 1996. If the public has any sense the Democrats should retake the house, but that is a big if. Hope you are bearing up under the pressure.

Sincerely yours,
